of stories that Shafter spent his time in a hammock back of the line of fire drank cooling drinks and refused to jump about. In Washington, when the comment was heard, old army men remarked that Shafter never jumped; that his busines was to make others jump, and he knew his business.

ical country in summer time and that the fault rested in Washington.

Gen. Shafter's campaign was not criticised by officers who served with him and who were familiar with the conditions that confronted him in Cuba, where he was without proper equipment or medical supplies due to lack of transports at sea and mules and baggage wagons on land.

Gen. Shafter was retired when he reached the age limit.

Why don't you bought a hat for her?

"No. She telephoned me one day and the injured were taken to Mercy Hospital and sand sand was retired when he assessed for it."

Why don't you trim your own hats and so the immigrant train that another section was strictly consumed.

Of the ison The immigrant thain was bound to the freight crow falling to observe signates on the first section of the immigrant train that another section was strictly consumed.

No. I never gave her money. I loaned money to her when she asked for it."

"But you bought a hat for her?"

"No. She telephoned me one day and the injuried were taken to Mercy Hospital at Chicago. The accident was caused by the freight crow falling to observe signates on the first section of the immigrant train that another section was sentirely consumed.

Of the 167 passengers on board the for it."

"No. She telephoned me one day and the injuried were taken to Mercy Hospital at Chicago. The accident was caused by the friendly terms. The immigrant train was bound. FIFTY PERISH IN BLAZING CARS OF WRECKED TRAIN

Passengers in Six Coaches Carried Over Embankment Are Penned in Wreckage and Many Roast to Death When Fire Breaks Out.

VALPARAISO, Ind., Nov. 12.-Fifty of 167 immigrants who were on a Baltimore and Ohio train which collided head on with a freight train at Woodville, ten miles north of this city, early to-day, are missing, and it is believed that their bodies were consumed by fire which destroyed six coaches of the immigrant train.

First reports were that five were known to be dead, probably thirty burned to death and twenty-five injured. Later information, however, soores to the places the number of victims killed at fifty and at least sixty injured.

While railroad officials will not admit the great loss of life, it is known that the passenger train was crowded with immigrants, many of
